

Archived Diversity and International Arbitration: What Dispute Settlement Systems Foster Greater Diversity and Inclusion in International Investment and Commercial Arbitration? *

Summary

*** Please note that this summary of the panel was AI-generated and therefore has not been fully vetted for accuracy.**

The session featured a discussion on various aspects of international arbitration, with Claudia providing insights on recent developments and challenges in the field. Key topics included the integration of technology in arbitration processes, the importance of diversity and inclusion, and the evolving landscape of international commercial arbitration rules. Participants emphasized the need for adaptability in legal practices and the significance of understanding different arbitration frameworks, particularly in interstate and investment arbitration contexts. The conversation also touched on the role of international bodies and the impact of geopolitical factors on arbitration proceedings. Overall, the session aimed to foster a deeper understanding of current trends and best practices in international arbitration.
